

# CALL FOR PAPERS

## 2021 International Conference on eLearning and Technology in Education

MNTC Center, Oklahoma City, OK, USA & Online, November 15-18, 2021

Oklahoma International Publishing (OkIP) is pleased to host the 1<sup>st</sup> International Conference on eLearning and Technology in Education (CETE). The conference aims to bring together scholars from different disciplinary backgrounds to emphasize dissemination of ongoing research and development in the field. Proposals are solicited describing original works in fields below and related technologies. CETE will include a peer-reviewed program of technical, industrial and poster sessions. Accepted and presented full papers from the tracks below will be published by OkIP and submitted for indexation in major abstract and citation databases of peer-reviewed literature. Extended version of best papers will be considered for the inaugural issue of the International Journal of Information Technology Research ISSN 1553-653X.
