

CALL FOR PAPERS

2022 International Conference on Advances in Health Information Technology

Tiako Center, Oklahoma City, OK, USA & Online, October 3-6

Oklahoma International Publishing (OkIP) is pleased to host the 2nd International Conference on Advances in Health Information Technology (AHIT). The conference aims to bring together scholars from different disciplinary backgrounds to emphasize dissemination of ongoing research and development in the field. Proposals are solicited describing original works in fields below and related technologies. AHIT will include a peer-reviewed program of technical, industrial and poster sessions. Accepted and presented full papers from the tracks below will be published by OkIP and submitted for indexation in major abstract and citation databases of peer-reviewed literature. Extended version of best papers will be considered for the inaugural issue of the International Journal of Information Technology Research ISSN 1553-653X.
