# 2023 OkIP International Conference on Learning and Technology in Education (CLTE)

Monday, 2 October 2023 - Thursday, 5 October 2023 Tiako Center, Oklahoma City, OK, USA & amp; Online

# **Scientific Tracks**

# **Education Advanced Concepts**

(e)Learning | Teaching Method | (e)Training Learning Communities | Blended Learning (e)Learning Strategies | Microlearning Teaching Material | Courseware Construction Learning Portfolios | (e)Storytelling | Writing Authoring | Reviewing | Editing | Publishing Academic Achievement | Digital Divide (e)Learning Assessment/Evaluation Model Internet of Things (IoT) and Education Education Foundation/Theory/Practice/Policy Program/Institution Accreditation | Pedagogy Knowledge Presentation/Mastery/Sharing On-demand and Just-in-Time Learning Learner-Centered | Self-Directed Learning Admission/Enrollment Process and Innovations Child/Family/Special/Counselor Education **Teacher Education/Professional Development** Adult and Continuing Education Curriculum, Research, and Development Elementary/Primary/Secondary Education **Educational Measurement and Evaluation** Early Childhood Education Learning Difficulty/Psychology

# AI in Education

Al Support in Learning | Learning Bots Gamification | Game-based Learning Augmented and Virtual Reality Simulations for Learning | Ubiquitous Learning Contextualized Teaching and Learning Collaborative Knowledge Building Activities Learner Identification/Authentication Plagiarism Detection Tools Educational Constructivism | Smart Classroom Eye-Tracking in Education | Learning Analytics Biometric | Learning Behavior Analysis Big Data, Neural/Sensor Network in Education Chatbots/Deep Learning in Education Computational Thinking | Intelligent Tutoring

# **Education Support Services**

Learner Preparation | Creativity Development Modeling Learner/Teacher Performance Feedback/Inputs Consideration | ICT Skills Internet Addiction | Public Speaking Skills Career | Academic Achievement Measures Learner Dropout Prediction and Rate Reduction Reading and Writing Improvement/Assessments eTutoring | eMentoring | eCoaching |ePlacement

#### **Content and Delivery Methods**

Educational Content Analysis/Quality Learning/Teaching Communication Skills Curriculum Revitalization and Digitalization Critical/Practical Thinking | Testing Methods Cooperative Education | Mixed Teaching Mode Experimental Teaching | Exams/Benchmarking Problem-Solving Skills | Maker Education STEM Innovation | Resources Sharing Live/Virtual Classroom/Course Management International/Interdisciplinary Programs Flipped Classroom Strategies | Open Content Innovative Educational Approaches

#### **Delivery Platforms and Tools**

Open-Source Platform | Virtual Learning Tools Educational/Testing Software or Platform Flexible/Personalized Learning Environments Internship Management Platform Language Learning/Scoring System Adaptive/Personalized Teaching Systems ePublishing | Survey Tools | mLearning Tools

### **Education/Administration Cases**

Case, Scenario, and Project-Based Learning **Teacher Qualification and Competency** Teacher Education | Teaching Practice Education, Research, and Globalization Education Leadership and Administration General Public/Intercultural Education Education Challenges | Vocational Training Impairment and Disability in Education Disadvantaged Learners | University Portals **Continuing Education Challenges** Teaching Management/ Quality Monitoring Teaching/Learning from Home Challenges Plagiarism and Intellectual Property Rights Lifelong, Informal/Nontraditional Learning eLearning Regulation and Legislation Employability Trends and Challenges

#### **Facilities and Equipment**

Web-based Laboratory | Digital Library Modeling and Simulation Virtual Labs Dynamics/Interaction of Virtual Learners In-house Computing Systems and Laboratories
