

CALL FOR PAPERS

2024 International Conference on Learning and Technology in Education

Online & Tiako Center, Oklahoma City, OK, USA, October 1-3

Oklahoma International Publishing (OkIP) is pleased to host the 2024 International Conference on Learning and Technology in Education (CLTE). The conference aims to bring together scholars from different disciplinary backgrounds to emphasize dissemination of ongoing research and development in the field. Proposals are solicited describing original works in fields below and related technologies. CLTE will include a peer-reviewed program of technical, industrial and poster sessions. Accepted and presented full papers from the tracks below will be published by OkIP and submitted for indexation in major abstract and citation databases of peer-reviewed literature. Extended versions of the best papers will be considered for journal publication.
