

CALL FOR PAPERS

2027 International Conference on Trade and Commerce

Tiako Center, Oklahoma City, OK, USA & Online, April 1-2

Oklahoma International Publishing (OkIP) is pleased to host the 2027 OkIP International Conference on Trade and Commerce (ICTC). The conference aims to unite scholars from different disciplinary backgrounds to emphasize disseminating ongoing research and development and advancing learning and scholarly research in all trade and international commerce areas. Proposals are solicited describing original works in Trade. This event will include a peer-reviewed program of technical, industrial, and poster sessions. Accepted and presented full papers from the tracks below will be published by OkIP and submitted for indexation in major abstract and citation databases of peer-reviewed literature. Extended versions of the best papers will be considered for publication in our inaugural volume Journal in Business.
